Suppose you still need to submit documents to the firm. In that case, Caldor claimants should start sending in their documents (copies of original claim SF-95 with supporting documentation, correspondence from USFS, follow-up claim documentation, and official denial—if received). Here are the methods suggested:

1. Email to Leslie and Sheila, [lkroeger@cohenmilstein.com](mailto:lkroeger@cohenmilstein.com), [sazpiri@cohenmilstein.com](mailto:sazpiri@cohenmilstein.com)
2. Mail to **11780 U.S. Highway One | Suite N500 Palm Beach Gardens, FL 33408**
  - i. If you are concerned about security, please request a secure link to upload documents from Sheila.
  - ii. If you have questions about the claim review process, don't hesitate to contact Leslie directly.
